

Bengali Film Festival 2022 @Thrissur

“The International Film Festival Thrissur, Janasamskara Chalachitra Kendram & FFSI with the support of Thrissur Corporation & Department of Culture is organizing for the very first time in Kerala, the first Bengali Film Festival. It showcases eleven contemporary Bengali feature films with two movies paying homage to the legendary Satyajit Ray on his birth centenary. These two movies APARAJITO (2022) by Anik Dutta and ABBAR KANCHANJANGHA (2022) by Raajhorshee De transport us to a movie experience that is vintage Ray. Another highlight is the bio feature on renowned writer and compassionate crusader for tribal people, Mahasweta Devi. It also exhibits new age experimental Bengali cinema of Amitabha Chatterji, Sourish Dey, Biplab Bandyopadhyay and Rajdeep Paul proving their mettle in terms of both intellectual talent and modern technology. The cinematic acumen of Indranil Roychowdhury, Subrata Sen and Soumendu Bhattacharya will be on display during this visual fest. This cinematic platter of contemporary Bengali cinema will surely be a memorable experience for all film aficionados.”
